Principal's Report- Mr. Fowlkes

- Senior meeting was held 3/20. The power point from that meeting will be sent to the senior parents.
- Students with an obligation will also have a notice sent home so they can be paid prior to prom and graduation.
- Testing season is coming up.
- Mr. Fowlkes will send out a reminder about Fiesta Fundraiser and senior lawn signs.

Old Business

- Mini grant receipts need to be turned in by 5/15. Lisa will reach out to those who have not turned their receipts in.

New Business

- The business manager and principal asked us to do a fundraiser to replace the school marquee. This would be a multiyear project and they are only asking for help with the fundraising, not the entire replacement cost. There are questions about the purpose of the marquee, maintenance and upkeep, as well as exactly how much financial help they are requesting. The board will revisit this when those questions have been answered. One suggestion was to remove the marquee and put something in the school where students will see the information.
- Request for teacher retention meeting for snacks. Lisa paid for it and the board approved reimbursement from the special projects budget. Leftovers will be sold at the craft and vendor fair.
- Will need someone to take over the Facebook page and banner sales and recruit someone for the secretary position.
