Welcome & Introductions at 7:02

Lisa thanked everyone for coming and noted we had enough members to constitute quorum.

President's Report:

- Minutes from October meeting reviewed and approved.

Principal's Representative Report- Mr. Fowlkes

- No Report

Treasurer's Report-updated through 11/03/22

- Report reviewed- General account \$10226.00,

Banner Report:

- 115 banners ordered. There was a delay, but Stephanie does have them, and they will start going up this weekend.
- Next deadline is November 30.

Craft and Vendor Fair:

- 85 total tables paid ahead of time, 3 more paid the day of the event.
- The event went very well but attendance wasn't what it was pre-pandemic, will work on building it back up again.
- Good quality items being sold.
- Suggestion made to include pictures of the crafts being sold in the newsletter to draw more people in.
- A couple of school groups asked for tables at the craft and vendor fair.

#### Hospitality:

- Coffee and Sweets went great. Lots of parents sent in monetary and food donations.
- End of January, planning another event. Would like to plan something in between to use some of the leftovers from Coffee and Sweets.

#### Membership:

- 117 memberships.
- Several staff members joined after Coffee and Sweets.

#### Mini Grants

- 1 more application in the process of approval. After that is approved, we will have \$100 left in our mini grant fund.
- If we have extra fundraising money, we could potentially add to that fund if needed.

#### Old Business

- After prom, fundraising and spring craft and vendor fair committee chairs are still needed.

#### New Business

- Welcome Susan Barry as the new Treasurer.
- Beth volunteered to be the Craft and Vendor Fair Chair.
- Bus Situation seems to be at status quo. There is a listening tour meeting with Dr. Bedell on 12/19 where we can discuss our concerns.
- Dr. Bedell has said that students who have been without a bus long term should have a bus next semester but there have not been any mentions of the logistics of how this will happen and when people will be notified that they won't have a bus.
- The recent town hall was frustrating because those in attendance felt they were lectured on the importance of attendance instead of being used as a forum for discussion of the issues facing NCHS community, especially transportation.
- Bethany, Andrea and Judy have volunteered to be on the scholarship committee.
- Chick Fil A night November 21, 2022 4-8pm at the Nursery Rd location.

Meeting concluded at 7:44

Next meeting December 1, 2022.
